1. CHOOSE YOUR STYLE

choose from two distinct arrangement styles: **loose & natural** for an organic, foliage led design, or **full & flowery** for a blousy, glamorous look.

Some couples are drawn to one style for their bridal flowers and another for their venue flowers. Feel free to mix things up, it's your day!

loose & natural

Organic, textured, a little untamed. Choose 'Loose and natural' if you like foliage – we'll include a beautiful, always seasonal, variety.

full & flowery

Soft, full of flowers and hopelessly romantic. We'll include little leaves here and there but this look is all about layers of beautiful, blousy blooms.

2. CHOOSE YOUR COLOUR

choose from one of three colour-ways: **White, green & gorgeous, Blushing pastels,** or **Colour play.**

To add a personal twist, we can include an accent colour of your choice with any of them.

WHITE, GREEN & GORGEOUS

Inspired by crisp vino verde, English summers and stylish garden parties, our White, green & gorgeous colour palette is perfect for bringing the outside in.

Elegant and fresh, we'll choose foliage of the season with soft and textured flowers in whites and ivory.

Expect to see fragrant bulb flowers in Spring, peonies and sweet peas in early summer, and dahlias in later summer. Accompanied by tree greenery until autumn, olive and eucalyptus in late summer and glossy darker greens as the year goes on, with flowering herbs, scented geranium and tendrils of flowering vine.

BLUSHING PASTELS

Imagine blossom confetti, rose martinis and silk pyjamas.

Dreamy, sugar shades combined with fresh white and delicate greens. A pretty and timeless colour palette that will include flowers such as sweet peas, pastel hydrangea and palest peonies in summer, dahlias, cosmos and astilbe in late summer, early autumn, with roses and spray roses in ice cream shades all year round - mixed with soft greens such as eucalyptus and senecio.

In the spring and summer we'll include jasmine, in winter, a little ivy, giving a gentle, romantic feel to the designs.

inspiration

COLOUR PLAY

Bringing to mind gardens full of all nature's stunning shades, styled with a playful hand. Inspired by sunsets, festivals and colourful cocktails.

We'll choose the loveliest seasonal colours to create a glorious impact.

Expect to see tulips, ranunculus, poppies and anemones in spring, peonies and sweet peas in their sherbet shades in early summer, hydrangeas, zinnias and cosmos as the year progresses, and vibrant roses all year round - with soft, seasonal foliages.

FREQUENTLY ASKED QUESTIONS

CAN I CHANGE ELEMENTS OF THE STYLE , COLOUR SCHEME OR VASE TYPE?

You can add one colour of your choice to any colour scheme and will accommodate favourite flowers where the season allows. If you would like tweaks to your chosen style or to change the vase type, we will transfer you to our bespoke service, as with this service, we can guarantee a tailor made experience.

HOW MANY OF EACH VASE TYPE WOULD YOU RECOMMEND FOR MY TABLE?

A cluster of 2 or 3 bud vases is perfect for a drinks table.

For a 5-6ft round dining table, we would recommend 1 signature urn, a trio of vases, or 5 stem vases.

Per 6ft of long table (which will seat 6 people – 3 on each side), it really depends on how full you would like it! At a minimum; 5 x stem vases or 1 x trio of vases, or 2 signature urns. You can of course mix all 3 arrangement types down the table! Call us for our advice.

For drinks tables, 3 tealights works well, for round dining tables, 5 and for long tables, 3-6 per 6ft section!

CAN I ORDER ARRANGEMENTS FOR DRINKS TABLES, THE BAR, OR MY CEREMONY ROOM?

Absolutely! Please add a note to the online form or contact us to speak to one of the team, they will be delighted to advise and arrange.

HOW ARE THE FLOWERS DELIVERED?

Bouquets arrive in a complementary vase of water, bridal accessories are packed carefully in a box with tissue and arrangements for the venue are delivered in boxes, packed to prevent movement on the journey. All packing is recyclable. Real flame tealights are delivered with a complimentary lighter.

HOW LONG BEFORE MY WEDDING SHOULD I PLACE THE ORDER?

You can place the order as far before the wedding as you wish! If you are organising last minute however, we would need a minimum of a week's notice to ensure we can get the loveliest flowers.

CAN I ORGANISE DELIVERIES TO DIFFERENT PLACES?

Yes of course. It's likely that you will want the bridal flowers to one or more locations, and the reception flowers to another, that's no problem. We will charge each delivery separately. Please be aware that this is delivery only, installation is not offered as part of the delivery cost. We can quote for installation, if we have availability, so do let us know if this is required. Sunday and bank holiday delivery is also possible.

WHEN SHOULD I GET MY FLOWERS DELIVERED?

We recommend that bridal flowers and flowers for the reception be delivered on the day of your wedding to ensure they stay at their most beautiful. Just be sure to leave yourself enough time to set the reception flowers out. Our earliest delivery is at 9am to London postcodes, but that will vary out of London.

CAN YOU PUT FLOWERS ON TABLES FOR US?

If you would like us to stay to set up at the venue, this is a bespoke cost calculated on timing and amount to set up. We will calculate it on an individual basis. Please contact us for a quotation.

CAN I ARRANGE FOR YOU TO COLLECT FROM THE VENUE?

Yes, as delivery, we will calculate the cost depending on distance from our studio and the timings of your day. If you do return the vases, you will get the cost of them refunded (10% of the arrangement cost). Evening, Sunday and bank holiday collection is possible.

IF I NEED TO CANCEL OR CHANGE MY ORDER, WHAT ARE YOUR TERMS?

You can cancel up to 2 weeks before your wedding day for a full refund. If you want to change any element of your order, you can do this up to a week before the day. If you contact us in the week running up to your wedding with any small changes, we will do our best to accommodate them.

CAN I SEE MORE OF YOUR WORK?

Yes – we'd love to show you! We've got many of our weddings featured on our blog at maryjanevaughan.co.uk and on our Instagram @maryjanevaughan There are some highlights at the end of this document too.

LOUISE & ROSS

A gorgeously romantic September wedding with classic styling in ivory and green with the lightest shade of blush pink. We played up the Tuscan vibes of the venue with flowers and foliage to perfectly compliment the gardens.

"The flowers were absolutely breathtaking and even more beautiful than I could have ever imagined"

CATHY & VAL

Syon Park was the perfect venue for this soft, timeless theme – white and light pink, bathed in the sunlight streaming through the Conservatory windows.

"Thank you so much for all you and the team did for Cathy & Val's wedding. The flowers were just beautiful and as ever it was a pleasure to work with you."

KERRIE & DAVID

A colour filled, wild flower affair. Styling was gorgeously laid back, loose and organic. The riot of late summer blooms spoke for themselves by echoing the gardens outside.
